Chris is Mass. Jr. Miss

Christine Hayward, daughter of Mr. and Mrs. John L. Hayward of Marion and whose photo appeared on our cover last week, won the title of Massachusetts Junior Miss in Hyannis on Saturday night. Miss Hayward, an Old Rochester senior, was sponsored by the Wareham Jaycees. She had previously been chosen as Miss Wareham Junior Miss.

Dianne Bock of New Bedford was first runner-up, winning the poise, youth fitness awards. She was also chosen Miss Congeniality. Miss Patricia Chase of Aponequet Regional High School was second runner-up. Melody Hall was third runner-up. She won the talent award in ballet. Fourth runner-up was Karen Way of Halifax, of Silver Lake High School.

Town Meeting: Jr. High

TWO SCHOOL QUESTIONS ON WARRANT

Mattapoisett's town meeting will be held this Wednesday, January 28th, at 8 P.M. at Old Hammondtown School. The main article of the warrant concerns the building of a Junior High School to house the 7th and 8th grades of the Regional School District.

Officials Question Penalties

SELECTMEN CALL PENALTIES TOO LENIENT

Mattapoisett Selectmen have written to the Massachusetts Alcoholic Beverages Commission after receiving the penalty guideline, from that body, relating to the selling of alcoholic beverages to minors.

The Selectmen wrote: "The Board of Selectmen feel that the guidelines for imposing penalties on licensees, who violate General Laws, Chapter 138, Sec. 34, are too lenient.

"We feel that the penalties should be stiffer."

The penalties in this guideline were as follows: first offense, age 18 to 21, warn-

Jr. Youth Symphony

POPS CONCERT PLANNED

The Junior Youth Symphony of Greater Boston, under the direction of Robert Corley, of Wellesley, will open its 1970 season with a Pops Concert on Sunday, February 8th, at 3:30 P.M. at Temple Mishkan Te-fila, 300 Hammond Pond Parkway, Newton. The program will include challenging works by Cesar Franck, Beethoven and Rossini. Proceeds of the concert will again benefit the Marvin Rabin Scholarship Fund, which assists in the support of the Greater Boston Youth Symphony Orchestras (Junior and Senior). Students are extended financial assistance for music lessons and camper scholarships at special music camps. Tickets may be purchased from members of the orchestra and will be available at the door. More than 100 junior and senior high school musicians are chosen from the greater number who have competed for seats in both orchestras through auditions held each spring at Boston University. Both orchestras require three-hour rehearsals every weekend through-

FLOODING PROTESTED

Three residents of River Road, Mattapoisett have called to the attention of the Board of Selectmen that the road is very often flooded. The Selectmen have had Manuel Nunes, road surveyor, check with the State Department of Public Works. Mr. Nunes has been advised that they will make the repairs and corrections when the river is low, this Spring or Summer. Letters

Emphasis on Responsibility

SEX EDUCATION PROGRAM OUTLINED

"The most important segment of sex education is to help the student develop a sense of responsibility to himself and others. Sex education is actually character education."

The speaker is Anita Charpentier, who, as health educator for the Newton public schools, has helped develop a health program for boys and girls from kindergarten through grade six. It will eventually be extended through senior high school.

The former St. Luke's Hospital staff nurse was guest speaker at the Mattapoisett PTC meeting Friday evening. She delivered a provocative and informative talk and showed a film on the subject. A question and answer period followed.

Miss Charpentier outlined the topics covered in each grade in the Newton program. Children in kindergarten and first grade learn the role of the family, the importance of respecting the rights of others, and the proper names for the parts of the body.

The second graders progress to instruction in the process of growth, the circulatory system, and feelings and emotions.

In the third grade the emphasis is placed

on responsibility to oneself and to others, digestive and muscular systems, and co-operation at home, at school, and at play.

In the fourth grade they study the nervous system, personality, and heredity.

Introduced in the fifth grade is a study of smoking and its effects, pollution, and constructive and healthy leisure and recreation.

The biology of human reproduction is introduced to the 6th graders. They also study respect and responsibility to others, and the use and abuse of drugs and alcohol.

This health program has been organized to complement or supplement what is being done at home. In many cases, however, proper instruction is not acquired at home because of lack of time, embarrassed parents, and a lack of proper health education in the early years of some parents.

A program of this sort is not introduced to school children until parents are informed and teachers are trained.

G.S. Cookie Orders

GIRL SCOUT COOKIE SALE NOW UNDERWAY

Girl Scouts of the Plymouth Bay Girl Scout Council are now out taking orders for the 1970 Annual Cookie Sale which runs from January 23rd through January 31st. They are hard at work attempting to reach the 1970 goal of 500,000 boxes of cookies sold.

Mrs. Richard Setteducati, cookie chairman, announced that all Girl Scout cookies ordered this week will be delivered from March 2 through 6. Money for the cookies will be paid at the time of delivery and no payment will be taken when cookies are ordered.

She went on to explain how the cookie profit is used and that the girls benefit directly from the sale since eight cents from each box sold goes directly into the troop treasury of the Girl Scout who makes the sale. This money finances most or all of the Troop's activities for the Scouting year.

The profit that remains from the Cookie Sale helps benefit the Resident and Day Camps operated by the Plymouth Bay Girl Scout Council by providing money for development and maintenance and are also

Our comprehensive service agreement helps guard you against heating worries and it can lower heating costs these three important ways:

1. By making sure your burner is tuned for peak efficiency—to help give you maximum heat from every gallon of fuel.

2. By catching little troubles before they can become big ones. A small adjustment in your heating system now may save you a lot of money later on.

3. By insuring you against repair bills. Our service agreement takes

care of them automatically.

Coming ... "George M"

"George M!" To Be Presented At ORRHS

The seventh major musical production to be presented at Old Rochester Regional High School in the nine-year history of the school is reaching its final planning stage. Area residents may look forward to February 27th and 28th, when the talented students of the music and drama departments will be staging "George M!". This superlatively bright and lively musical about the man who was called

"Mister Broadway" is the story of George Michael Cohan, born in our neighboring city of Providence, Rhode Island and who provided such sparkling musical gifts for us as: "Give My Regards to Broadway," "I'm a Yankee Doodle Dandy," "You're a Grand Old Flag," and "Over There," just to mention a few. The show's music and lyrics are by the late Mr. Cohan himself, with revisions by Mary Cohan. This show ran for nearly two years at the famous Palace Theatre in New York, and now on tour, is achieving international acclaim.

Directing this production is Mrs. Nancylee Gaucher, Senior Drama Coach at the high school, and most affectionately recognized as the wizard choreographer of last year's sensationally successful production of "Oliver!".

A very popular innovation last year, to be repeated this year, is a full orchestral accompaniment to the show. O. R. R. Music Supervisor, Mr. Gary Thomas, is busily rehearsing his carefully selected members of the show's "pit" orchestra. Mrs. Thelma Ostenfeld is assisting both Mrs. Gaucher and Mr. Thomas with the choral directing.

Supporting all levels of the production are members of FORAM, Friends of Old Rochester Arts and Music. Mr. and Mrs. Charles B.

Needed: Big Brothers

BIG BROTHERS COMES TO THE GREATER NEW BEDFORD AREA

The Big Brother movement has become a reality here in the New Bedford area, serving the towns of Westport, Dartmouth, Fairhaven, Mattapoisett, Marion and Acushnet, along with New Bedford. The purpose of the program -- to provide the fatherless boy with a measure of love, understanding and constructive guidance -- is now an attainable goal. Ultimately, the success of this venture depends upon adequate financial support and the willingness of dedicated men to serve as Big Brother volunteers.

In the Greater New Bedford area, there are some 3000 boys between the ages of 8

and 18 who are growing up without fathers. We have learned from educators, psychiatrists, sociologists, and other qualified sources that it is these youngsters who run the greatest risk of becoming alienated from society, and it is to these youngsters that we extend our help.

If you are a mature, successful member of society, are of strong moral character, and are willing to devote some time each week to a youngster who needs help, you may qualify to be a Big Brother.

While the need for Big Brother volunteers cannot be over-emphasized, the organization that makes available this service is operating on private funds. A program, such as Big Brothers, which offers a unique, personal, and totally volunteer service to all boys, regardless of religious, racial or social background, must rely solely on the generosity of concerned citizens.

If you wish to become a Big Brother or desire to make a contribution, please contact Big Brothers of Greater New Bedford, Inc., 758 Purchase Street, New Bedford, Massachusetts 02740.

FISH ON THE WHARF BAKED STUFFED SHRIMP

1. Bring to boil in covered kettle 1 Qt. water, 1 C dry white wine to which has been added: pieces of celery, carrot, onion plus 2 Tbsp. dill seeds. 2. Add 24 Jumbo Shrimp. When boiling again, lower heat and cook for only 3 minutes, covered. 3. Remove from heat, let stand uncovered for 5 minutes, then drain shrimp, shell & devein (a beer can opener is a handy tool). Split shrimp down spine, about halfway through. Chill. 4. Gently mix stuffing ingredients in bowl: 2 C Ritz cracker crumbs, 1/2 tsp. salt, 1/2 tsp. pepper, 1/2 tsp. garlic powder, 1/2 tsp. dry mustard, 1 C melted butter, 1/2 C grated Parmesan cheese, 2 Tbsp. Lemon juice, 2 Tbsp. very finely chopped onion, 1 Tbsp. finely chopped parsley, modest dash of Worcestershire Sauce, generous dash of Dry Sherry. 5. Curl each shrimp by inserting toothpick and arrange on large cookie sheet. Using a knife or small spatula, pack the stuffing into the split backs of the shrimp. Brush shrimp generously with melted butter. Place in 325 oven for 25 min. 6. With lemon wedges, serve immediately to four gourmets.

Mrs. Rana prepared a vegetarian meal with foods popular with Hindus in India. Seasonings, spices and vegetable oils are used. Also many nuts. All Hindus are vegetarians. Following the meal Mrs. Rana answered questions of members of the club regarding life in India. Mrs. Rana has been here for 2 years.

Both were dressed in saris and had a small red spot, an O, on the forehead indicating that they are married. This is put on with powder each morning and a wish is made that the husband live long and happily.

APOSTLE AT LATTER-DAY SAINT CONF.

Elder Gordon B. Hinckley, a member of the Council of Twelve Apostles of The Church of Jesus Christ of Latter-Day Saints, spoke at the Boston Stake Conference Saturday and Sunday, January 24 and 25, in Weston, Massachusetts. The Boston Stake includes 4500 members from congregations in Eastern Massachusetts and Rhode Island.

Elder Hinckley, 59 years old and member of the Council of Twelve since 1961, is a member of the executive committee of the world-wide missionary program of the Church. There are some 14,000 missionaries serving in all parts of the free world; 200 serve in New England. He has authored five books and many pamphlets and articles on Church subjects. He is a director of several communications and business firms, and also directs Church mission activities in South America.

Local Church authorities announced that they met with Elder Hinckley on Saturday, January 24th, in leadership meetings. They also stated that the youth of the Stake had assembled for a special meeting with Elder Hinckley during the Saturday sessions.

The General session of the Conference was held at 10:00 A.M. Sunday at the Boston Stake Center, Route 30 and Brown Street, in Weston.

Annual Church Meeting

RELIGIOUS EDUCATION BUILDING

Presentation of plans for a new religious education building and action on the proposed building program will be an important feature of the annual meeting of the First Congregational Church of Marion on Friday, January 30th, at Old Rochester Regional High School.

The meeting will be preceded by a buffet supper at 7 P.M. in the school cafeteria, to which church families are invited. Baby sitting services have been volunteered by members of the Youth Fellowship.

The building program will be explained by members of the Building Committee with slides, charts and drawings, after the regular business of the annual meeting has been concluded.

The plans call for construction of a two-story building at the rear of and adjoining the existing Chapel on Main Street, on land

acquired by the church for this purpose several years ago. It would contain classrooms for the Sunday School, a parish hall, kitchen, pastor's study and church office.

The Building Committee and its predecessor, the Building Needs Committee, has been at work for a number of years, under the chairmanship of Robert R. Thackeray, developing what it believes is a sound and adequate program to meet the church's needs for educational facilities.

The first five grades of the Sunday School now meet in the Chapel and the upper grades are using classroom facilities of St. Gabriel's Episcopal Church.
